The Local Offer

The local offer gives children and young people with special educational needs or disabilities and their families information about what support services are available in their area. You can find out about the East Sussex Local offer by reading our SEND Information Reports on our [website](#) or by visiting

<https://www.eastsussex.gov.uk/childrenandfamilies/specialneeds/> .

Structured Conversations - Term 2

You should have received an email with the date and time for your

Structured Conversation. During this meeting with your child's teacher, you will discuss how your child has settled into their new class, progress, provision in school and new targets. If you have not received an email with an appointment, please talk to your child's teacher.

Aim High, Work Hard, Dream Big

The ongoing changes have increased the feelings of uncertainty and anxiety, especially for families who have children or young people with additional needs.

For this term, the Communication, Learning and Autism Support Service (CLASS+) have worked together to gather helpful information, tips and advice around the theme of anxiety for parents and carers to use at home.

In this [5-minute video](#), the CLASS+ team focuses on tips and advice for strategies to manage anxiety around routines and rituals.

The CLASS+ team will be sharing more advice videos on the theme of anxiety on our Facebook page @CLASSPlusEastSussex, where you can also find more resources.

There's also [half-term tips-or-treats for children and young people with autism](#) for you and your family to use for the half-term.

For further advice and support, you can contact the CLASS+ Advice Line on Monday from 10 a.m. to 1 p.m. at 01273 336887 or you can call SENDIASS on Mondays to Fridays from 9.30am to 2.30pm on 01273 772289.
